Visit the Social Housing Pension Scheme website

www.shps.org.uk

and discover why more than 50,000 members have already joined

The SHPS website contains a wealth of features for both prospective and current employers and members, including:

- a comprehensive overview of the Scheme;
- a Pension Calculator which provides estimates of monthly pension costs and pension projections;
- an employers' area containing news items and a complete guide to administering the Scheme;
- a members' section with details of how to join and the key advantages of membership;
- guidance on how to join the Scheme including printable application forms; and
- a downloadable Document Library containing access to information guides, forms, marketing materials and annual reviews.
